## **Nebraska American Legion State Golf Tournament Rules and Entry Form**

Format is a 2-Person Scramble. Each person will play a tee shot. They will proceed to the ball with the most favorable position and each person will play their second shot from that location. The hole will continue in that format until the ball is holed out. All sand traps are in play. All persons will play from the white tees with the exception of seniors (70+) and ladies who will play from the red tees. After the first round, scores will be totaled and two flights will be utilized for the second round. They will comprise of the Championship Flight and the First Flight. For state title rights, only the Championship Flight will be eligible. Prize money will be awarded to the top three teams in each flight. In addition, trophies will be awarded to the top three teams in the Championship Flight only.

Hole-In-One prizes are available on all par three holes on the second round only. All persons are automatically entered into the contests. All persons must play from the required yardages per tournament rules on all par three holes. Any and all persons who score a hole-in-one will be eligible to receive the prize designated for that hole.

In the event of a tie in either flight, a winner will be determined by score on the hardest handicap holes, until a winner is determined. The Tournament Committee has final determination on all rules governing play.

Each par three hole will also have a 50/50 contest. A player who has the closest tee shot within a ten foot circle without going in will receive half of the pot for that hole. The remainder will go to the Host Club. The contest will be held both rounds.
