This report is to be submitted to the Activities Director within 24 hours after a game in which an Umpire has violated a Baseball rule, failed to enforce a Legion rule or displayed poor/unacceptable conduct towards, coaches, players, or fans. Umpire actions concerning "judgment calls", "strike zone" or "personality conflicts" are NOT what this form is for and will not be addressed. The report should be submitted as soon as possible after the game (fax or email). Give full name(s) of the involved parties. All reports will be reviewed by the Committeeman for that area, the Head Legion Liaison Umpire, and the Chairman to determine if corrective action is needed. If it's deemed that corrective action is necessary, the Chairman will call for a vote of the entire Committee to determine what action will be taken.
